TriCab Company Vehicle Policy

policy

Purpose

The purpose of this policy is to outline the requirements and expectations for the use of TriCab company vehciles. TriCab may provide a Company Vehicle to certain employees as part of their role, or at company discretion, and to maintain a high level of productivity and promote a professional corporate image. If you have been provided with a company vehicle, you must comply with the following policy guidelines.

Responsibility

Each employee issued with a company vehicle is responsible for ensuring the vehicle is maintained and serviced regularly. In additional, the employee's manager is also responsible for ensuring the employee is complying with the Company Vehicle Policy.

Use of Company Vehicle

1) Drivers of a company vehicle must be authorised by TriCab to do so, and must hold a current driver's licence, a copy of which must be provided to TriCab. Employees are to notify TriCab immediately of any change to the status or validity of the licence.
2) Company vehicles must be driven with care while obeying relevant traffic laws.
3) All traffic and parking infringements or violations are the sole responsibility of the driver of the vehicle, not TriCab.
4) Company vehicles are to be kept clean and tidy inside and out and washed once a week to maintain the physical appearance of the vehicle at an acceptable standard.
5) Vehicles should be garaged where possible and not left in the street overnight.
6) All vehicles should be serviced regularly through the TriCab Fleet Authorised Serviced Centre, in line with the vehicle logbook schedule. In addition, it is the responsibility of the authorised driver to ensure they regularly check oil, water, and coolant levels.
7) Refer to TriCab's '*Corporate Credit Card Policy*' for fuel receipts relating to a company vehicle.
8) Drivers are responsible for the condition and safe operation of their company vehicle and are required to check the vehicle for possible defects and report them according to policy, including conducting quarterly vehicle inspections and other inspections at the company's request.
9) If an employee is found driving a company vehicle under the influence of alcohol or drugs, they will face disciplinary action which may result in instant dismissal.
10) Any vehicle accidents must be reported to your manager immediately via TriCab Hazard & Incident Reporting Processes.
11) TriCab will ensure a vehicle first aid kit is supplied for all of its company vehicles in order to provide access to first aid in the case of external employees.
12) Roadside assistance is covered by TriCab for authorised drivers in case of vehicle breakdown.

All TriCab company vehicles are insured through Zurich Insurance. All claims need to go through the Finance Manager.
