WHS Medical Questionnaire

TriCab Group Pty Ltd places the health, safety and wellbeing of employees, stakeholders, and workplaces as a first priority, and is committed to meeting or exceeding the standards set out by Workplace Health & Safety legislation and regulations, within every TriCab workplace. To ensure we provide a safe working environment for all current and prospective employees, we require the following information regarding any medical conditions that may affect your ability to safely perform work at TriCab.

All responses to this questionnaire will be treated confidentially. If you answered YES to any of the below questions, please provide full particulars in the spaces provided.

Name:	
Address:	
Contact Number:	

Do you suffer, or have you suffered from any illness, disease or injury which has resulted in time off work?
☐ YES ☐ NO

Do any health problems restrict your ability to perform your job role?
☐ YES ☐ NO

Are you currently on any treatment program and/or medication for illness or injury?
☐ YES ☐ NO

Have you ever been advised by a registered medical practitioner that you have special requirements e.g., ergonomic chairs/anti-glare screens?
☐ YES ☐ NO

Is there any condition which you believe that we, as an employer, should be aware of to help better support your safety at work e.g., mental illness, epilepsy, diabetes, asthma or pre-exiting injury?
☐ YES ☐ NO

Employee Declaration

I understand it may be necessary for TriCab to seek more information from me regarding my responses to this questionnaire and medical checks. I understand that making a false or misleading disclosure may impact on my entitlement to workers compensation. I acknowledge that I must answer as accurately and truthfully as possible. I understand that as part of TriCab's recruitment process, all candidates must successfully complete a pre-employment medical.
