Corporate Credit Card Policy

policy

Purpose

The purpose of this policy is to provide guidance on the appropriate use of the TriCab Corporate Credit Card.

Scope and Application

This policy applies to all TriCab employees who have been issued with a Corporate Credit Card. TriCab may issue a company Credit Card to assist employees with the following:

1) Pre-approved job-related expenses
2) Business-related travel expenses in accordance with TriCab's Travel Policy (including fuel expenses)

Eligibility

An employee may be provided with a Corporate Credit Card if it is deemed necessary to perform duties required during their employment with TriCab. The Card must be used for business-related travel and pre-approved expenses only and these expenses must be in conjunction with the employee's job duties.

Employees shall not use the card for any non-business and/or non-essential purpose, i.e., for any personal purchase or any unauthorised business-related transaction. Any employees found to breach this policy, or terms of corporate credit card use may be subject to disciplinary action up to and including termination of employment.

Lost or Stolen Card

In the event an employee loses their Corporate Credit Card, they are required to contact the Finance Team and their immediate manager as a matter of urgency (within 12 hours).

Breach and Misuse

Use of a Corporate Credit Card is a privilege, which TriCab reserves the right to withdraw at any time. The allocation and use of a corporate credit card may be revoked for any reason including in the event of serious or repeated misuse, or if there is a change of duties, transfers, or process.

If an employee uses the card for any type of unauthorised transaction in violation of this policy, i.e. incurs financial liability on the Company's part that is not within the scope of the employee's duties and/or authorisation to make business-related purchases, the cost of such purchase(s) or transaction(s) will be the financial responsibility of that employee, and the employee will be expected to reimburse TriCab via deductions from pay until the unauthorised amount(s) is/are fully repaid. The employee has full financial responsibility and liability for unauthorised spending on their Corporate Credit Card. Any purchases an employee makes with a company credit card in violation of this policy may result in disciplinary action, the removal of card access, and/or reimbursement of the total spend amount to TriCab.

1) The authorised cardholder is to retain sole possession of the Card.
2) Corporate Credit Card is only to be used for expenses as outlined in the Scope & Application section of this policy.
3) Employees are required to retain tax invoices for all expenses incurred.
4) Employees are required to submit receipts and/or tax invoices to the Finance department within 3 business days of receiving the Credit Card Statement.

8) Personal use of the card is prohibited under any circumstances. Using Credit Card for personal expenditures will be deemed violation of this policy.
9) A Purchase Order needs to be raised for all non-travel related expenses.
10) A credit card statement has to be signed off by the direct Manager (if direct Manager cannot approve statement at the time of approval being required the statement must be provided to the next higher manager, e.g. Finance or General Manager).
11) An expenses form must be completed, submitted and approved within 30 days from the statement being issued, if not TriCab reserves the right to request the reimbursement or return of expenses made by an employee.
12) Failure to submit expenses forms and required documents may result in removal of credit card access and/or the recovery of costs incurred via salary deduction or loan repayment as deemed appropriate by the Finance Manager or General Manager.

Upon Termination of Employment

On termination of employment, the employee must return their Corporate Credit Card to the Finance Manager (or immediate State Manager if outside of Victoria with proof of return sent to the Finance Manager) along with any receipts and/or tax invoices for expenses incurred, an expenses form, and most recent statement covering all outstanding expenses approved by their manager. Failure to return the credit card and provide the most recent approved statement and expenses form with accompanying receipts may result in legal action being undertaken and/or recuperation of costs in the event unauthorised expenditure is found to have occurred.
