TriCab Group Workplace Health and Safety Policy

policy

Our Commitment

TriCab is committed to the health, safety and wellbeing of its people and workplaces, and strives to continuously improve the health and safety in our workplaces so as to protect the wellbeing of our people and prevent injury or illness to all employees, contractors, and visitors. Working safely is a condition of employment at TriCab and failure to follow policies and safety requirements will result in disciplinary action up to and including termination of employment.

Our Principles

1) All injuries can be prevented.
2) Everyone has the responsibility of preventing injuries.
3) Safety is not to be compromised.
4) Training employees to work safely is essential.
5) All incidents, near misses, injuries and hazards must be reported.
6) If people think an action or task is unsafe, they are not to attempt it, and must report it, so that a safe way to complete the task can be found.
7) All employees are responsible for their own safety.
8) Personal Protective Equipment requirements are to be adhered to at all times.
9) All TriCab premises are smoke free zones.
10) To ensure safety of self and others, TriCab has ZERO tolerance for drugs and alcohol, and it is a condition of employment that all employees and contractors present fit for work. Employees, Contractors, and visitors not permitted on premises if they are under the influence.
11) TriCab is committed to the provision and support of rehabilitation for employees who sustain a work-related injury or illness.

Our Actions:

1) Annually setting objectives and targets for continuous improvement as a part of targeting ZERO injuries and monitoring performance in relation to those targets.
2) Comply with Work Health and Safety Acts and all applicable Laws, Regulations, Codes of Practice and Standards that may impact the workplace.
3) Providing a safe workplace and safe equipment.
4) Providing appropriate information, instruction, training and supervision to all employees, contractors, and visitors to ensure all actions are carried out safely.
5) Involving, consulting and communicating with employees on matters relating to Workplace Health and Safety.
6) Regular audits and inspections of our workplace to improve and maintain compliance.
7) Empowering employees and contractors to cease work where there is a threat to safety of themselves or others.
8) Supporting and promoting employee wellbeing and work-life balance.
